Human Agency: Social Change from the Bottom Up Hey guys! So, I tried using the search function to look up bio help, but I couldn't find anything that I found too helpful. In this Section 1, MySocLab is an integral part of the Eltizan / Zinn / Smith program. I don't want it to sound too robotic, but I also want to be professional about it and not ramble on. The thirteenth edition focuses more deliberately on five major themes: the structural sources of social problems; the role of the United States in global social problems; the centrality of class, race, gender, sexuality, and disability as sources of division, inequality, and injustice; the critical examination of society; and solutions to social problems. Taking a conflict approach, Social Problems, 13e examines social problems, how they are interrelated to other problems, and society's role in their creation and perpetuation. Explore Theory - Major sociological theories within context of social problem are discussed. Pneumatik also studied at Oxford University with the British American Drama Academy, where she focused on contemporary and Shakespearean acting styles. I have my debut at a respected local theatre company soon, and they requested a bio from me for promotional materials and our program! I didn't really know where to start, so I kind of threw something together. This textaddresses interesting subjects, such as corporate crime, urban decay, poverty and the changing economy. Here's what I have right now (some local names have been replaced): "Pneumatik recently graduated RedditUni with distinction in Theatre with an emphasis in Performance. Improve Critical Thinking - Chapter organization follows a logical framework that traces a problem from its origin to solution. I don't want it to be "braggy" or too silly. Her most recent credits include Anne Kronenberg in a touring production of Dear Harvey and the title character in RedditUni's Eurydice. Support Instructors - A number of Instructor Resources including PowerPoint Presentations, MyTest Test Bank, and Instructor's Manual. I feel like I sound like a robot but I don't know how to show my personality! Any tips are welcome! :) EDIT: I guess it's also important to mention that I plan on inviting local agents to this production as well, so it's really important that I put my best foot forward, haha. Viewing our society from a conflict perspective. It helps students prepare for class and instructor gauge individual and class performance. Engage Students - International, national, and personal examples help students understand issues better. 0205949185 / 9780205949182 Social Problems Plus NEW MySocLab with eText -- Access Card Package Package consists of: 0205206530 / 9780205206537 NEW MySocLab with Pearson eText -- Valuepack Access Card 1-095 Pub 0205681882 / 9780205681888 Social Problems 'synopsis' may belong to another edition of this title.
